Future Farm Grown is dedicated to consistently delivering high quality greens into Minnesota and Wisconsin year round. Their environmentally controlled facility allows them to maximize plant growth while conserving water so they can get the freshest and most nutritious produce possible.

They take pride in their clean growing methods where they are certified in Good Agricultural Practice through the USDA, use only Non-GMO seeds and do not use any harmful pesticides in an effort to give their customers the cleanest possible produce.

You can learn more by visiting futurefarmgrown.com or follow them on Facebook.
